Iwa Nursery School

Happy New Year ! Let's make this new year a great one!

How did you spend the New Year's holiday? Thanks to the energetic children, Nursery is full of smiles and cheerful voices.

This year, I want to enjoy playing with cute children so that parents and children can share happy people. First of all, We would like to play the New Year's game unique to this time of year while enjoying it with children.

We enjoyed School play!

Thank You Very Much for Coming to See the School play While You Are busy. Every Child Said, "It Was Fun to Have a School play!" "I Want to Do It Again!" They Expressed their Joy in Words. Through the School play and It's Practice, They May Have Gained confidence by feeling the joy, difficulty, And joy Of Expressing a single work Together.

"I Want to Play Other Roles!" I want to try other instrument next time!" Motivated children. After the School play, we Take Turns Playing roles And musical instruments, and we Enjoyed with other classes of play.

Traditional japanese play

In the nursery school, we will enjoy traditional Japanese play. All of them are traditional games to enjoy while nurturing concentration and imagination.
